

ISO 15189 CERTIFICATION

OUR CERTIFICATION PROCESS

Application Submission & Review:

- Submit your application to help us understand your requirements.

Stage 1 Audit (Document Review):

- Our auditors evaluate your organization's documentation, policies, and processes against the requirements of the standard.

Stage 2 Certification Audit:

- Our auditors verify the implementation and effectiveness of your management system against the requirements of the standard.

Corrective Actions (if necessary):

- If any non-conformities are identified during the audits, you'll have the opportunity to address them.

Certificate Release:

- IAS grants ISO Certification post successful audit.

ABOUT THE ISO 15189 STANDARD

ISO 15189 is an internationally recognized **quality management standard for medical laboratories**. It provides a structured framework to ensure the quality and competence of medical testing and calibration services. ISO 15189 focuses on the following principles:
